

IBM Software Choice Withdrawal

Overview

As of December 10, 2004, IBM Software Choice will be discontinued.

Beginning today, Passport Advantage® OS/2® customers are to use their Passport Advantage user ID and password to access IBM OS/2 Warp® and IBM OS/2 Warp Server for e-business features. Directions to the new location of the features and updates for Passport Advantage customers are posted on the Software Choice Web site.

Features and updates will continue to be available on the Software Choice Web site until it is discontinued on December 10, 2004. After December 10, 2004, IBM Software Choice Subscription Offering for OS/2 Warp V4 customers may access the following Web site to send an e-mail requesting electronic delivery of features made available during their remaining subscription time
